

Caution (Handle with care)

In case of getting skin rash or feeling abnormality, please stop using and consult with specialist.

The colored items would release the dye by rubbing, water or sweater etc depending on the material, so please avoid combination with white color items.

Please avoid taking bath, washing and other putting accessory on otherwise it would be broken sometime.

Please handle with care when you work hard or play sport, sleep, taking care of child as you would get unexpected hurt sometime.

Please do not use at high temperature place or cold temperature place otherwise it would hurt you by burn or frostbite sometime.

Please be careful for children not to put those accessories in their mouths mistakenly.

Some of merchandises include a lead as a part of the material, but it does not effect on your health to put it on usually.
